

# Read to the tune of "If You're Happy & You Know It"!

Don't spread your germs,  
wash your hands!

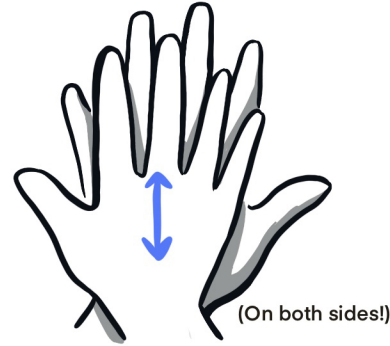

It takes 20 seconds,  
wash your hands!

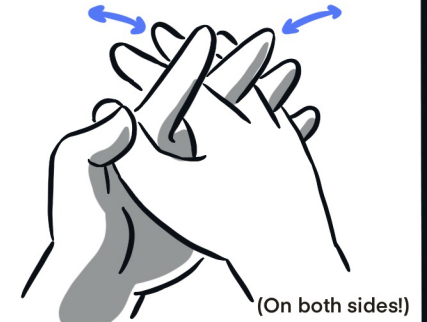

Wash the front

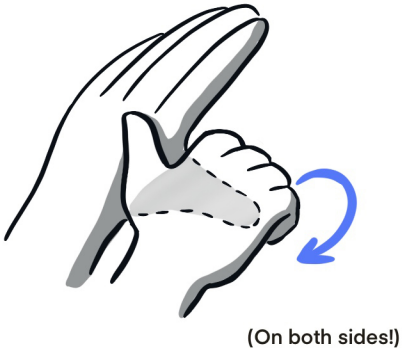

Wash the back

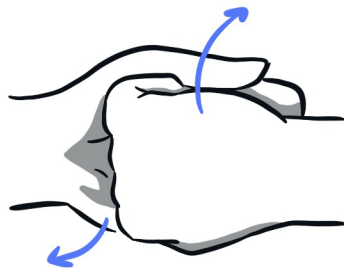

'tween your fingers

'round your thumbs

underneath your fingernails

wash your hands!

If you want to stay well,  
wash your hands!

RESIST THE URGE!

Don't touch your face,  
wash your hands!

clean your counters

and doorknobs

and your phone

it's your job...

...to keep germs  
from other people!

Wash your hands!!
